Journal American Association of Nurse Anesthetists Volume XXIV 1956 Index of Subjects and Authors

A

Aberg, Harriet L.: Interpretation of NFPA Pamphlet No. 56 (note), 40
Adrenal cortex, relation to anesthesia, 75, 141, 259
Adrenalectomy, anesthesia for, 173
Adriani, John: Vomiting and regurgitation during and after anesthesia, 231
Airway, c
American Association of Nurse Anesthetists: Annual meeting, program, 130; candidates for office, 193; objectives of, 74; relation to hospitals, 249; schools of anesthesia, 95; 25th Anniversary, 69; 25th Anniversary (editorial), 3
Anectine (see succinylcholine)
Anesthesia: after trauma, 85; deaths, 81; for adrenalectomy, 173; for cardiac surgery, 147; for glaucoma surgery (abstract), 221; geriatric, 239; geriatric (abstract) 52; legal aspects, 184; obstetric, 81, 284; pediatric, 9, 89, 155; recent trends, 24
Atelectasis, 254

B

Baird, Lillian G.: Tube cleaning set (note), 192
Barrett, Richard H.: The geriatric patient and anesthesia, 239
Baum, Bernice O.: Heat sterilization of spinal anesthetic ampules, 300
Berger, Olive L.: Direct vision open cardiac surgery and anesthesia, 147
Book reviews: Anesthesia for Obstetrics, Labor, Delivery, Infant Care, 310; Anesthesia in Ophthalmology, 206; Basic Facts of General Chemistry, 206; Clinical Analgetics, 207; Complications of Regional Anesthesia, 48; "Controlled Hypotension" in Anesthesia and Surgery, 118; Geriatric Anesthesia, 48; The Give and Take in Hospitals, 206; Hypothermic Anesthesia, 56; Introduction to Operating-room Technique, 48; Joint Ligament Relaxation Treated by Fibro-osseous Proliferation, 206; Local Analgesia Head and Neck, 206; Pharmacology in Medicine, 119; Psychology Applied to Nursing, 310; A Review of Nursing, 118; Selected Experiments in General Chemistry, 207; Thresholds to Professional Nursing Practice, 118
Bradley, Frank R.: The American Association of Nurse Anesthetists and hospitals, 249
Bridenbaugh, L. D., Jr.: Pediatric anesthesia, 155

C

Carbon dioxide; effect on heart (abstract), 50; effect on respiration, 30; retention, 265
Carmichael, Clarene A.: Present status of approved schools, 95
Carotid sinus syndrome (abstract), 219
Children, psychologic approach (abstract), 216
Chlorpromazine: (abstract), 113; glycemic effect (abstract), 108
Clayton, Paul A.: The prevention, recognition and treatment of post-operative atelectasis, 254
Cohen, Frederick B.: Legal aspects pertaining to anesthesia and the nurse anesthetist, 184
Cortisone, relation to anesthesia, 75, 141, 259
Costello, Mary A.: An investigation of carbon dioxide retention, 265; management of pulmonary ventilation under anesthesia, 30

E

Endotracheal tube cleaning set, 192
Epinephrine, during ether anesthesia (abstract), 50
Ether, ethyl vinyl, 178

F

Fallin, Joyce: Succinylcholine chloride, 188
Fife, Gertrude L.: A.A.N.A. 25th Anniversary (editorial), 3
Financial Security Program, 57, 115, 208, 308

G

Glaucoma, surgery, anesthesia for (abstract), 221
Gorens, Sherwood W.: Cortisone and anesthesia, 259

H

Haas, Minnie V.: Our 25th Anniversary, 69
Hamilton, Virginia: Anesthesia for adrenalectomies, 173
Harris, M. Evelyn: Cortisone therapy and anesthesia, 75
Hayt, Emanuel: Legislation, 42, 103, 201, 304
Heart: direct vision surgery, 147; effect of carbon dioxide (abstract), 50; effect of fluorinated ethylenes (abstract), 56; effect of hypothermia (abstract), 108
Heckathorn, Helen: Clinical observations on the use of Vinamar, 178
Helmsworth, James A.: An investigation of carbon dioxide retention, 265
Hemorrhage, postpartum (abstract), 110
Hypotension: 181; deliberate, 18
Hypothermia: (abstract), 114; effect on heart (abstract), 108

I

Insurance, 57, 115, 208, 308

J

Jones, Robert R.: Recent trends in anesthesia, 24

K

Kidney, effect of anesthesia (abstract), 219
Knodel, Carol: Pediatric anesthesia, 89

L

Legislation: Anesthesia administration by nurses in New York State held legal by attorney-general, 201; failure to explain operative consent and make biopsy held malpractice, 103; hospital not liable for operating room explosion caused by cautery, 202; Iowa Nurse Anesthetists, 42; Notice by nurse to one hospital held binding on co-employer hospital as to compensation disability, 106; operating room nurse held not liable for hemostat left in patient by surgeons, 204; private hospital not entitled to statutory limit for loss of patient's jewelry, 47; slipping of transfusion needle out of vein imposes liability on hospital, 104; tax deduction regulation of Bureau of Internal Revenue for refresher courses, 304; taxpayers allowed by court to deduct expenses between two employments "while away from home", 304; unauthorized operation gives cause of action without proof of negligence, 46; use of unsterile needle by hospital nurse gives patient damages and bars collection of bill, 46
